

Letter from Bright Lights

Theme of the Month: Belonging

Crazy Spinners!

Dear parents,

Warm greetings from all of us at Bright Lights!

This month we have some very fun activities planned. Some September freshness with lots of drawing together will be a fun, calm transition back to school and nursery! We're ready! We are going to play with the idea of 'belonging' through drawing, from party planning to a crazy house, we are going to imagine all the ways that we can help each other feel belonging and 'togetherness'. Bring your favourite pencil case and let's get wild!

Upcoming activities for April:

4th

WILD MAPS

Make a wild Mind Map with all your favourite places in London!

11th

'PARTY PLANNING'

List materials, ideas, and draw the cool outfits everyone would wear!

18th

CRAZY HOUSE!

A place of belonging: Draw a crazy pretend house that would make you feel very at home!

25th

COOL ANIMALS!

Group activity! Drawing our favourite animals in one big group mind map!

Crazy Spinners!

We had so much fun making crazy Spinners before summer break!

Goodbye to Summer

We hope you've all had a great summer and looking forward to having lots of fun this year!

Glitter Ice-Cream!

We loved all of the Glitter Ice-Creams you made before our break! So cute!

September activities further information:

Our activities are centred around our theme for the month: Belonging.

4th September: Wild Maps!

Sharing Belonging: Make a wild Mind Map with all your favourite places in London! Draw it out as a Wild Map to share with someone new in your class!

11th September: 'Party Planning'

Creating Belonging: 'Party Planning'. Plan a fun pretend party where everyone can feel welcome! List materials, ideas, and draw the cool outfits everyone would wear!

18th September: Crazy House!

A place of belonging: Draw a crazy pretend house that would make you feel very at home! Let's make it as wild as we can!

25th September: Group Activity–Cool Animals!

Belonging group activity! We are all naming our favourite and some of earth's coolest animals in one big group mind map. Then each choosing someone else's animal, we are each going to draw the place in which that animal belongs (i.e. city, jungle, ocean)!

September Kids Challenge:

CROSS WORD:

Calling all children geniuses: can you help us sort out this word search?! September is here but our favourite parts of September are all lost and muddled! Help! Once you've completed the puzzle, click the link below as a thank you for sorting out September!
